

Volume 45 No. 10–October 2020

# Woodgate Crier

Board Meetings are at 7:00PM on the first Wednesday of each month – unless otherwise noted.

The next Meetings of the Woodgate III Board are:

- Wednesday, November 4 @ 4446 Woodgate Court

## OUTSIDE WATER

Board members will begin the process of turning off the outside water. If you have an outside water turnoff for your building a board member will be stopping by your home. It is important that the water turn off is done properly and under the guidance of a board member. If the water turnoff is not done correctly, it could result in frozen/broken pipes for all units in the building.

If you are unsure if you have a turnoff valve for your building you can email [Woodgate3HOA@gmail.com](mailto:Woodgate3HOA@gmail.com) to verify.

If you would like to schedule a time for a board member to come do the water turn off, please email [Woodgate3HOA@gmail.com](mailto:Woodgate3HOA@gmail.com) with your preferred time and we will do our best to accommodate.

## DRIVEWAY PARKING

Driveways are not meant for long-term storage. Per the Rules and Guidelines cars should not be parked in the driveway for more than 24 hours without moving. Violators brought to the Woodgate 3<sup>rd</sup> Board's attention will be sent letters and could be fined if not compliant with the rule. If you rent, please make sure your renters are aware of the rules.

## GARBAGE CANS

I keep putting this notice in the newsletter.... but we still have cans on the street on Fridays.

**Please bring your cans into your garage after collection.**

Garbage is collected every Wednesday and Recycling is collected every other Wednesday (that last recycle day was 9/2/2020). Waste Management will not pick up items that are not inside the garbage containers, so please do not leave garbage on the side of the road – **all garbage should be inside the container**. If you have additional pieces of garbage you can contact Waste Management to schedule a pick up at your cost.

The rule (as guided by the City of Eagan) is that garbage containers can be placed on the side of the road after 6PM the evening before picking up (Tuesday) and should be put back inside your garage within 24 hours.

Also, please be mindful of your neighbors when parking on the street Tuesdays and Wednesdays to ensure there is enough space for the garbage trucks to collect the garbage.
