

Volume 46 No. 4—April 2021

Woodgate Crier

Board Meetings are at 7:00PM on the first Wednesday of each month – unless otherwise noted.

The next Meetings of the Woodgate III Board are: Wednesday May 5 and May 12

ANNUAL MEETING

With COVID restrictions still in effect, the annual meeting this year will be on Wednesday, May 12th at 7:00PM in the Woodgate Point Cul-de-Sac. This will be a “bring your own chair” meeting.

Please cross your fingers for good weather (no rain or snow).

WATER TURN ON

It's almost time for water turn on. If your unit has the main valve for the outside water a board member will be coming to your door with instructions on how to turn the water on for your building.

GARBAGE CANS

Garbage cans need to be stored inside garages when not on the curb on garbage day. Additional rules can be found in the Garbage and Garbage Containers section of our [2021 Rules & Guidelines](#) doc.

We are seeing a lot of cans outside of garages and on the street after garbage pick-up.

Letters will be sent if a board member sees containers out past Thursday afternoon.

SPRING CLEAN UP

Barrett will be doing the spring clean up next week (week of April 19th). Please make sure toys and dog poop is picked up so Barrett can efficiently and effectively do their clean up.

They will also be bringing dirt and grass seed to fix plow damage. If Barrett lays seed in your yard, please water it once the weather warms up and the outside water is turned on.
