Volume 52 No. 6 – October 2023

## BARRETT LAWN CARE

Lawn – Mowing happens every Thursday [depending on weather]

Trimming – Twice a Year [Summer & Fall]

Fertilizing/weeding – Application twice a year [Spring and Fall]

### Crabgrass

Quote, was far too costly to add additional weed control.

Homeowners can handle if choose to, at owners' expense.

### Unit Owners Insurance:

The Association policy does not provide insurance for any of the personal items of the unit owner or liability of the unit owner. All unit owners should be required to carry a separate policy called a Condominium Unit Owners policy (HO-6). This policy should carry enough coverage to cover his or her personal property, the association deductible, cost of any improvements or betterments and personal liability.

### WGIII – Insurance Policy

After reviewing options, we will remain with Waste Management, they renegotiated our price at a huge savings.

### Fall Check List:

Check Your Detectors

Store Lawn Chairs

Change Your Furnace Filter

Make a Winter Driving Kit

*WGIII Board Members will be identified by vests & lanyards*
